

**L**et San Francisco  
be your Golden Gateway to great  
medical equipment values...

# AT ACOG, CABOT MEDICAL I

For more than 50 years, the majestic Golden Gate has linked Northern California and the San Francisco peninsula, spanning more than 6400 feet across the Pacific Ocean. Now, this historic landmark can be your connection to outstanding values on some special office equipment from Cabot Medical. During the ACOG Show from May 7-9, you can upgrade your capabilities while taking advantage of savings up to 20%!
